

## **Board of Visitors appointed by the Secretary of the Navy**

The Marine Corps University Board of Visitors was established when Congress provided a provision in the 1995 Defense Authorization Act for an advisory board for the University. The Board of Visitors meets semiannually to provide assistance and recommendations to the Marine Corps University President. The by-laws of the MCU Board of Visitors mandate it “serve as the advisory committee to the Commanding General, MCCDC to assist him in serving as the Governing Board for the University.”
